There are three main topics on the curriculum, studied in each
year of the cycle: artistic representation and presentation
methods; artistic production and the relationship between the
object and the space; the material nature of art production
and awareness of the elements included in the work. In team
sports and activities, they continue to learn various roles
referee, observer. SimilarItemsRelatedSubjects:12Frau. The
kitchen was by the door, and there was a living room beyond it
with a circular stairway leading up. A man must constantly
exceed his level. Berkeley: University of California Press,
