Want to Read Currently Reading Read. When a body is operating at its optima level, each system, cell and atom is in constant communication with each other at all times. The mobile phone works at even greater distances. It is your job. The BodyTalk System works by first identifying the weakened energy circuits within the body. In this course, students will first learn about consciousness-based scientific principles, along with the theory behind the BodyTalk System, including: our innate wisdom and how to use it during the sessions, how to engage your intuition in a structured way, the importance of communication in the body, using muscle checking to discern areas of the body and mind that are a priority to balance, and much .
