The transition system represents the critical institution of VET. Hamburg:

It was not the dissolution of the GDR, but rather, from the
mids onwards, international comparative studies of educational
achievement TIMSS, Pisa I and II, IGLU in which German pupils
only achieved mediocre results which provided the impetus for
important initiatives for reform in education policy in
post-reunification Germany. Up to now universities have not
succeeded in implementing labour market oriented BA study
programmes required by the Bologna Process.

Glatzer, W. These approaches, however, were soon overshadowed by the increa
