Yet UNRRA explicitly stated that the furnishing of the apparatus had to be "justified by Govt as part program rehabilitation previously existing Govt operated biological producing institutes" Need help? The story of its large scale production has been told in full detail by Hobby, Gladys L. Inthispaper,Iwillshowhowantibioticsresearchandproductionwereaconc As most of his biographers underline, he was denied the visa to enter the United States for many years, despite the Nobel Prize and endorsement from the World Health Organisation. With the help of a Rockefeller Foundation grant, the two scientists assembled a research team and set to work on isolating the active ingredient in penicillium notatum. A cousin, whose brother-in-law had been a failed conductor, gradually convinced Chain that a career in science would be more rewarding than one in music.
