I reposted it to my blog. How to fix coffee-shop Wi-Fi. In thinking about the user experience, he realized that the big problems for bloggers are 1 actually publishing a post 50 percent of blogs have zero posts and 2 getting readers to that post. Who is it for? Remote work should at least be considered as a possibility. Though hired as a team lead, Berkun is also an accomplished author and speaker – as seen in his Google talk on the book below – with a long stint in various roles at Microsoft under his belt prior to joining Automattic. An excellent book about Berkun experiences working as a leader in Wordpress. The force behind Wordpress. According to its success Wordpress is a proof that physical spaces, job titles, and rules are irrelevant for idea-driven people. The author, for example, spent his first weeks at Automattic as a Happiness Engineer.
