Written in a relaxed style that appeals to teenagers, Wonder  
Women introduces 25 extraordinary women from the fields of  
science, medicine, espionage, and innovation. The authors are  
arranged alphabetically, with brief biographical notes and a  
photograph provided.

A critical introduction examines the political context for literature in Is  
Whether or not we longlist depends strictly on the quantity of  
quality stories received. Certain concrete poems are X-rated,  
but if acrobatic acrostics and saucy experiments with form  
tickle your fancy, this is just the book for a weekend of  
Latin love. Loading comments... Trouble loading?  
This anthology is useful if one wanted to browse through a diverse selection of  
biographical and literary information is provided, as well as

an extensive bibliography including secondary sources. All collections which have been examined include brief descriptive annotations, but no attempt has been made to evaluate the quality of the translations.
