Marauri, P. Levine, A. However, the European Commission is co-financing through the health programme a joint action on chronic diseases.

IwasborninMadridinandIhavealwayshadaspecialinterestfordesign,soci
The Commission does not wish to comment on the position in the Financial Secrecy index of other individual Member States. Has the Commission considered the option of retaining the agri-environment support, in view of the fact that one of its objectives is to protect the environment and that the purpose of draining the fields is precisely to reduce the plague of island apple snails in order to be able to preserve the landscape and the great environmental value of the area?
