I find that there is still much resistance or at minimum skepticism from the traditional or cloistered Monk and Nun, to understand and validate this New Path that we are on in the NBC. Why do some people fail to succeed in life, while others create magical life experiences Ignatius of Loyola describes these moments in our spiritual life as moments of consolation and desolation, and the space .

This is a word which could be used to describe acts done without reasoning, or
Their relationship began sexually active and transitioned into a celibate way of life; my relationship began celibate and remains that way. But in the end, formation is not about acquiring more information or intellectual stimulation. At work, at home, with friends—all of these spaces are full of noise.
