No comments. Get the latest from Linn Records, direct to your inbox Email Address. To us this music leaves an evil impression with its broken rhythms, obscurity and vagueness of form, meaningless repetition of the same short tricks, the nasal sound of the orchestra, the strained crash of the brass, and above all its sickly perverse harmonization and quasi-melodic outlines, the complete absence of simplicity and naturalness, the complete absence of themes. This composition came from a place of incredible substance. Bach Corelli Gra Sarabande 8. Moderato 5. Levee Dance, Op. Canzonetta Andante. Cadenza
