A beautiful woman with an agenda of her own puts him in touch with a crooked Wall Street Billionaire. Alan Taylor describes how William Cooper father of novelist James Fenimore Cooper rose from poor wheelwright to New York land magnate after the Revolution thanks to a long series of fraudulent land deals; how he became an influential but awkward local community leader in the frontier town he built to bear his name; and how he provoked a political and social reaction from other common men hoping to rise in the new republic.
