I really enjoyed this book, and I did not realize b
Beautifully written memoir of the years Hal Borland and his family spent on the Colorado Frontier when his father decided he wanted to try homesteading in There was a watering trough beside the High, so we watered the horses before we drove on. So I watched the meadow larks on the fence posts at the side of the road, saw the yellow of their breasts and the spotted brown of their backs and the lengths of their bills.
