He stayed behind us with the old chief and preached to him, and told him if he would go with us to where we camped we would divide our provisions with him, but we had hard work to keep his Indians from scalping us. Freedeliveryworldwide.Articleactivityalert.We use cookies to give you the best possible experience. We would make a corral of our 50 wagons and Reminiscences of Early Utah our cattle in at night and leave a guard at the mouth of the corral to watch and we would put log Reminiscences of Early Utah around to keep them in but sometimes it did not do much good for just as we would think that all was well one of the oxen would give a blat and sniff the air and every ox and cow in the corral would commence to bellow and run around until

they would squeeze the cattle that were on the inside nearly to death.
