In view of the high level of international attention which has already surrounded the cases of Safiya Husseini and Amina Lawal, two women sentenced to death by stoning for adultery, Human Rights Watch has chosen to concentrate in this report on some of the lesser-known cases where the violations of the rights of defendants have been equally serious but have received less public attention. One key to Nigeria's historic presidential election, in which an incumbent lost, was a peace committee that worked to mediate disputes and suppress violence. Hedidn'tspecifywho. Why Religion Matters: The Salt of SocietyApril 24, Religion seasons the interactions between strangers, adds flavor to our civic relations and preserves the dear things of our common existence. The New York Times. Latter-day Saints have a collective identity as members of a worldwide church but also have local identities as residents in their own countries and cities.
