We deserve it for ourselves and for our relationships. We conceal our feelings. Desire is about a space you go into where you stop being the responsible, well-behaved human who looks after others and takes care of things.

This site uses Akismet to reduce spam. But as we bridge the separateness, we shorten and eventually annihilate the distance between two selves that makes one desirable to the other, for the springs of desire are in the very possibility of a leap across the abyss of otherness. Carmen Harra on Facebook, click .

When we fail to do this, our emotional connection to a person can fade, and all is a fact.
